Desire: A Contemporary Romance Novel eBook by R.G. Winter ...

Desire was a good romance for the modern times. It was well written and had conflict between the hero and heroine. I don't want to write too much about the story for fear of giving it away, It was enjoyable and I purchased the second book in the series. This is not a stand alone novel so look for others in the series.

Contemporary romance is a subgenre of romance novels, generally set contemporaneously with the time of its writing. The largest of the romance novel subgenres, contemporary romance novels usually reflect the mores of their time. Heroines in the contemporary romances written prior to 1970 usually quit working when they married or had children, while those novels written after 1970 usually have, and keep, a career. As contemporary romance novels have grown to contain more complex plotting and more
